**Michigan Production Machining, Inc. is committed to protecting the environment by minimizing our environmental impact and striving for continuous improvement in our environmental management system through:**

- ◆ **Preventing pollution, reducing waste, and optimize the use of natural resources.**
- ◆ **Compliance to all environmental obligations.**
- ◆ **Identify and prepare for emergency situations that would affect the environment.**
- ◆ **Consider with suppliers and customers the life cycle impacts of our aspects and activities.**
- ◆ **Increase employee knowledge, awareness and motivation of environmental protection through training.**
