UPDATE ON SAI GLOBAL ACQUISITION

Dear Valued Customer:

The recent acquisition of SAI Global by Intertek Group symbolizes our combined commitment to providing world class assurance services and supporting the evolving needs of our customers and will only strengthen our combined assurance offering by providing enhanced scale, as well as complementary geographic coverage in delivering additional risk-based quality audit, inspection, training, and certification services, as well as enhanced Global Market Access capabilities via our Standards service offering.

As part of the acquisition, your current contract signed with QMI-SAI Canada Limited remains valid, with the addition of the IATF recognized Certification Body being Intertek Testing Services NA Inc. dba Intertek, which is the Intertek legal entity under contract with IATF and authorized to conduct IATF 16949 certification activities. This change is reflected in the issuance of an Intertek certificate replacing your SAI Global certificate. The obligations of QMI-SAI Canada Limited remain unchanged.

If you have any questions about this change, please contact us at business.assurance@intertek.com.

Sincerely,

Intertek Business Assurance
